# What's your real-life relationship trope?

This morning, inspired by a convo I had w/@KatiD, I asked my timeline what tropes their real-life relationships started on. My relationship/marriage is a friends-to-lovers, accidental pregnancy leads to marriage (older "heroine" at 29 who should know better). A lot of fun responses! Start at bottom!

by  Angela James 5 years ago 260 Views ▾
